

Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Wednesday 25 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Overnight mist clearing on Thursday morning, then dry, bright, warm.

This Evening and Tonight:

Dry this evening with some late sunshine. The rest of the night will be dry but some mist, low and fog patches developing in the early hours. Minimum temperature 10 deg C (50 deg F).

Thursday:

Low cloud and fog gradually clearing through the morning, although patchy cloud may linger across the east until early afternoon. Otherwise dry with some very warm sunshine, coast cooler. Maximum temperature 23 deg C (73 deg F).

Outlook for Friday to Sunday:

A dry few days with some very warm sunshine. Overnight mist and low cloud burning off in the mornings.
